ENVIRONMENTAL SUSTAINABILITY CHARTER

AUDIT CERTIFICATE ESC BAND: BRONZE

1 JULY 2021 TO 30 JUNE 2022

KMS Engineering PTY Ltd

The Australian Steel Institute's Environmental Sustainability Charter (ESC) requires members of the Charter to be independently audited to the Environmental Management System annually to retain membership and to demonstrate continual improvement and culture change in environmental management of their business operations.

KMS Engineering PTY Ltd has demonstrated:

- Good environmental practice and progress under the ESC.
- Commitment to environmental improvement.
